The Lee Company – IMH Group Code of Conduct Statement

Dear Valued Customer,

The Lee Company is committed to producing products that are engineered, sold, and manufactured to the highest levels of quality. It is similarly our policy to maintain the highest ethical standards in relationships with employees, suppliers, and customers.

Any bribery of, or by, a Lee Company employee is unacceptable. Any behavior which is believed to be unethical should be reported to The Lee Company management.

Additionally, The Lee Company complies with all State of Connecticut and United States Federal environmental, health, labor, and safety requirements.

Best Regards,

Nick Sorvillo
Quality Assurance Manager
